

Memorandum

Utilities Department

To: Village Council
From: Sam Heady, Deputy Director of Utilities
Date: 7/20/15

**Subject: Budget Cost Savings
Fan Replacement and Installation - WTP**

I respectfully present the following memorandum of understanding to the Council.

This is a request to award a contract to Jacobs Air Water Systems for the replacement and installation of the Reverse Osmosis Water Plant #1 degasifier fan and inlet housing filter in the amount of \$38,570.00.

The Reverse Osmosis Water Plant #1 degasifier fan and filter have become unserviceable and cannot meet the demand of the water treatment system if this equipment is not replaced.

Budget cost saving will be used to purchase and install the equipment.

Photos attached for review.
