**Subject: Piggy Back Contract for Liquid Caustic Soda**

---

I respectfully present the following Comprehensive Analysis to the Village Manager.

Orange County, Florida has recently awarded a contract with Brenntag Mid-South, Inc for the procurement of Liquid Caustic Soda 50%. The Village would like to use the existing contract to piggy back for these reasons:

1. The cost for the product from Brenntag was lower than the other providers.
2. The product that Brenntag produces meets the NSF/ANSI 60 Drinking Water Standard and all applicable requirements.

Cost: \$34,320.00

Staff recommends approval of contract.
