

Attorney Davis explained the importance of either regulating or not regulating temporary signage and consistency of enforcement. Council Member Paterno suggested temporary permitted sign be allowed during the interim of your permanent sign.

Consensus of Council was that no sale items be displayed on the sidewalks and sandwich boards within the specified range be allowed.

Council discussed placing items such as propane gas tanks and benches on one side of sidewalks along with fire and ADA accessibility. Manager Couzzo noted that fire inspected areas each year. Mayor Brennan questioned illuminated signage being dimmed. Council Member D'Ambra referenced Publix lighting. Attorney Davis stated he would look into the issue.

Vice Mayor Arena suggested lettered vehicles not be permissible in the parking spots nearest the road. Council Member Okun voiced his feelings that wrapped vehicles were not a problem but billboard vehicles were. Council Member Paterno responded that Tequesta did not allow assigned or reserved parking and police should enforce any that were.

4. Discussion on Data Storage of Information Captured by Tequesta's Roadside Cameras

Council Member D'ambra voiced his concern with gathering and maintenance on individuals. Manger Couzzo suggested 90 day be the limit for retaining the data. Brad Gomberg, IT Manager agreed and explained that information would be deleted and any that may be required for investigation purposes would need to be obtained or permanently lost.

5. Discussion of Florida League of Cities 2013 Proposed Resolutions

Attorney Davis explained and noted the proposed resolutions.

6. Discuss Rescheduling September 2 Workshop Due to Labor Day Holiday

Consensus of Council was no workshop in September and to schedule the workshop around budget hearing schedule.

ANY OTHER MATTERS

Manager Couzzo stated that the Village was looking into a radio and dispatch consultant. He noted that he had not been a proponent of Northcom and that the current and past chiefs supported the use of Northcom.

Dottie Campbell suggested Council break the pattern of congregating all together at meeting and functions and challenged them to meet voiced
