Re: Ordinance Updating Village Legal Boundaries Following Alley Annexation

The following describes in detail the above referenced agenda item:

As you are all aware, the Village recently annexed the alley behind the "Austrade" site on U.S. Highway 1. The attached ordinance is housekeeping in nature to update the legal description of the Village located in the Charter to include this recently annexed alley.

Upon final adoption, the ordinance must be sent to both Palm Beach County and the Florida Department of State.
